

Anadarko Hacket Tower II

Project: Anadarko Hacket Tower II

Size: 550,000 sf.

Location: The Woodlands, TX

Architect: Gensler

GC: Harvey Builders

Applicator: Tabberer Construction

Details: Project is combination of AC Tech 2170 Go Early™ and Div. 9. Moisture Mitigation was not provided for in spec. Project was delayed as they tried to reduce vapor drive. AC Tech 2170™ FC successfully aided in getting project back on track.
